The First Sign Of failing health, whether in the form of Night Sweats and Nervousness, or in s sense of General Weariness and Loss of Appetite, should suggest the use of Ayer's Sarsaparilla. This preparation is most effective for giving tone and strength to the enfeebled system, promoting the digestion and assimilation of food, restoring the nervous forces to their normal ion, and for purifying, enriching, and vitalizing the blood.

Failing Health.

The years ago my health began to fail. I was soubled with a distressing Cough, Night Sween. Weakness, and Nervousness. I tried vaning remedies prescribed by different physicians, but became so weak that I could not go up stairs without stopping to rest. My friends recommended me to up a year's Sarsaparilla, which I did, and I am now as no-say and strong as ever. — Mrs. E. L. Williams, Alexandria, Minn.

I have used Ayer's Sarsaparilla, in my family, for Scrofula, and know, if it is taken faithfully, that it will thoroughly eradicate this terrible disease. I have also prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine ever compounded.—W. F. Fowler, D. D. S., M. D., Greenville, Tenn. Dyspepsia Cured.

It would be impossible for me to describe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilla. I was under the care of various physicians and tried a great many kinds of medicines, but never obtained more than temporary relief. After taking Ayer's Sarsaparilla for a short time, my headache disappeared, and my stomach performed its duties more perfectly. To-day my health is completely restored.—Mary Harley, Springfield, Mass.

I have been greatly benefited by the prompt use of Ayer's Sarsaparilla. It tones and invigorates the system, regulates the action of the digestive and assimilative organs, and vitalizes the blood. It is, without doubt, the most reliable blood purifier yet discovered.—H. D. Johnson, 383 Atlantic sve., Brooklyn, N. Y. Aver's Sarsaparilla, ad by Dr. J. C. Ayer & Co., Lowell, Mass

Charlotte Randow's Testimony. Swift Specific Company, Atlanta, Ga.:

Gentlemen—Having been annoyed with pimples, eruptions and roughness of the skin, from had condition of my blood, for more than a year, I used a leading preparation of sarsaparilla and other advartised remedies to no effect. Then I consulted a prominent physician, and from his treatment received no benefit. I then concluded to try the S.S. THE FARM CONTAINS 329 ACRES, is located on the state road from pover to Lexington, 5 miles from the latter place and within 1x miles of the depots upon the branch and new extension railroads, has a good house of 5 rooms, 2 tenant houses, all necessary outhouses, stable for 10 horses, is all under good fence and all in cultivation or grass, and is well watered by nevr. failing springs, cisterns and wells. It is susceptible of division and would make two good farms of 160 acree each. The land lies well, is very rich, is in a destrable neighborhood, with a good road to Dover and Lexington or to the depots on the railroad. Taken altogether, a superior farm of its size cannot be found in the state. It will be sold cheap, as the owner desires to leave the state and engage in other business.

The gist of the druggists' law is in this section: Section 2-No druggist or pharmacist shall, directly or indirectly, sell, give away or otherwise dispose of intoxi-cating liquors of any kind in any quantity less than one gallon, for any purpose, except on a written prescrip-tion, dated and signed, first had and obtained from some regularly registered and practicing physician, and then only when such physician shall state in such prescription the name of the per-son for whom the same is prescribed. and that such intoxicating liquor is prescribed as a necessary remedy: provided, that any druggist or pharmacis may sell or give away, in good faith, any wine for sacramental purposes.

Any druggist who shall violate any of the provisions of this section shall be deemed guilty of a misdemeanor, and on conviction shall, for the first offense, be fined not less than one hundred nor more than five hundred dollars, and for a second off use shall, on convic
